3.3. Click on “ Manage ” TReX Service	11
3.4. Select the labels and click on the “ Order TReX ” button.....	12

1. Introduction

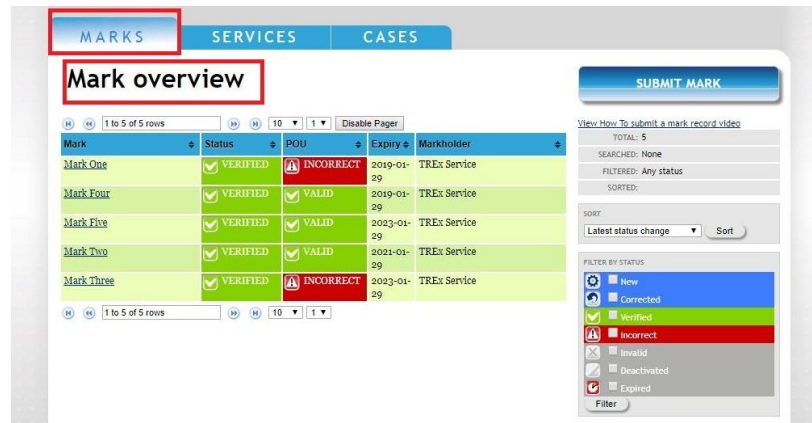

This document provides you with the instructions on how to manage your TREx service.

Please note that before you can subscribe to the TREx service, you will need to opt-in to the TREx service via your account. To do so, please refer to the “How to opt-in to the TREx Service” document.

2. How to subscribe to the TReX service

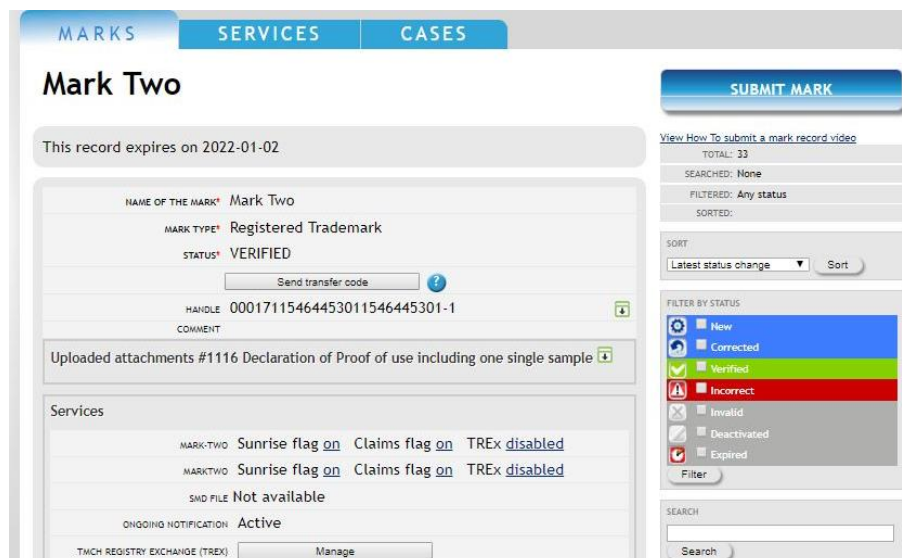

2.1. Log into your account

Once you are logged into your account, you are directed to the “Mark overview” page in the “Marks” tab.

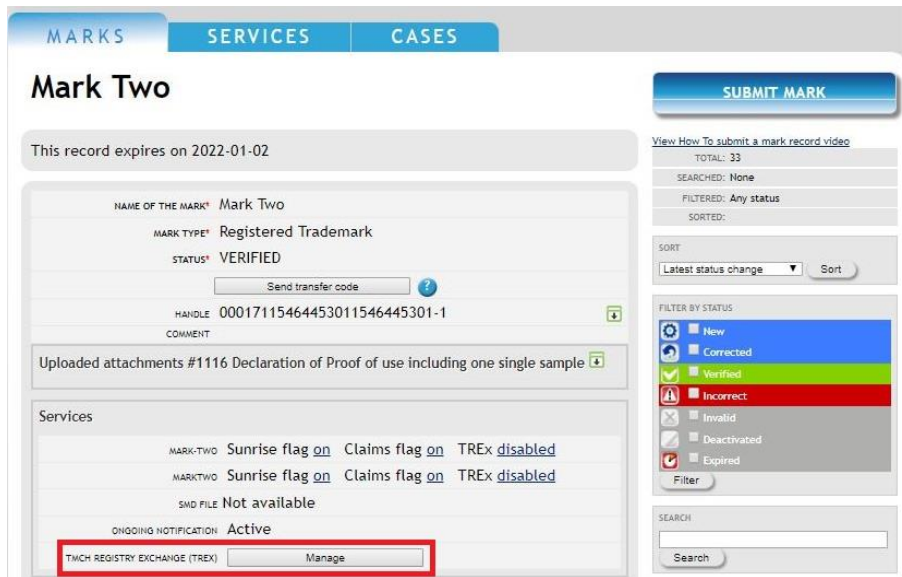

2.2. Select the trademark record

Via the “Mark overview” page, you can select the specific sunrise eligible trademark record that contains the labels you want TReX protected. When you **click** on the applicable trademark record you will be redirected to the “Mark details” page for that specific trademark record:

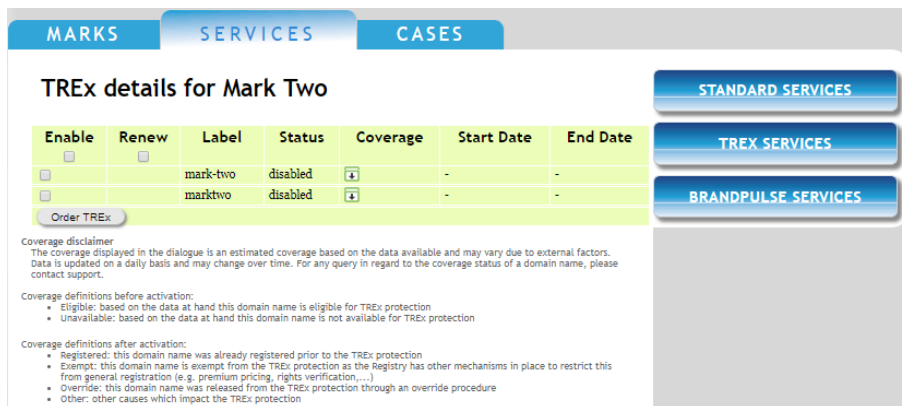

2.3. Click on “Manage” TReX Service

Via the services section of the Marks detail page of the trademark record there is the option to **manage** your TReX service:

Once you click on the “manage” button you will be redirected to the “TReX details” page on the “Services” tab as demonstrated below.

Enable	Renew	Label	Status	Coverage	Start Date	End Date
<input type="checkbox"/>	<input type="checkbox"/>	mark-two	disabled		-	-
<input type="checkbox"/>	<input type="checkbox"/>	marktwo	disabled		-	-

You will find on this page:

The TReX status per label. The status will be either:

- **‘Enabled’** in case you have already subscribed to the TReX Service for this label
- **‘Disabled’** in case you have not subscribed to the TReX Service for this label.

Coverage disclaimer

The coverage displayed in the dialogue is an estimated coverage based on the data available and may vary due to external factors. Data is updated on a daily basis and may change over time. For any query in regard to the coverage status of a domain name, please contact support.

Coverage definitions before activation:

- Eligible: based on the data at hand this domain name is eligible for TREx protection
- Unavailable: based on the data at hand this domain name is not available for TREx protection

Coverage definitions after activation:

- Registered: this domain name was already registered prior to the TREx protection
- Exempt: this domain name is exempt from the TREx protection as the Registry has other mechanisms in place to restrict this from general registration (e.g. premium pricing, rights verification,...)
- Override: this domain name was released from the TREx protection through an override procedure
- Other: other causes which impact the TREx protection

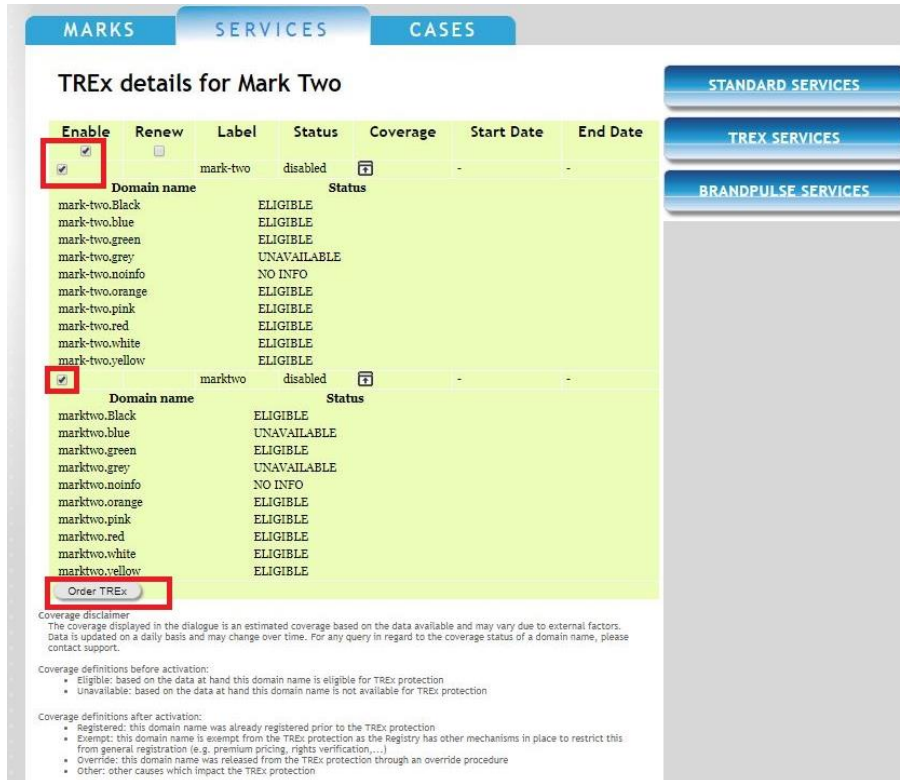

- **'Eligible'** means that the label will be made unavailable for registration upon subscription of TREx.
- **'Unavailable'** means that the label is either already registered, included in a premium name list, reserved, etc.
- **'No Info'** means an estimated coverage cannot be provided due to technical limitations.

The TREx protection is offered in a bundle. It is not possible to choose the TLDs.

¹ Note that this is an estimated coverage. It is up to the Registry Operator to provide insight in which labels can be TREx protected.

2.4. Select the labels and click on the “Order TREx” button

To activate the TREx protection, select the labels and then click on the “Order TREx” button as shown below:

- Override: this domain name was released from the TREx protection through an override procedure
- Other: other causes which impact the TREx protection

A pop-up screen will appear with an overview of the selected labels, an explanation of the TREx bundle and the total price.

Order TREx for Mark Two

Selected labels for TREx activation:

- mark-two
- marktwo

Explanation of the service bundle:

The TREx service is offered as a bundled offering across 40 TLDs. Note that at time of purchase not all TLDs have onboarded. The TLDs will be included during the duration of your subscription. When available your label will be TREx protected in these TLDs.

Options / Price calculation:

Activate TREx for 40 TLDs for 1 year: Total 2x\$160 = \$320

PAY PREPAID

mark-two.white	ELIGIBLE			
mark-two.yellow	ELIGIBLE			
<input checked="" type="checkbox"/> marktwo	disabled			

Note that in case your trademark record will expire in one month or less, you will need to renew your trademark record first before you can subscribe to TREx. A combo deal will be offered by the TMCH including the renewal of your trademark record for a 1 year-period plus the activation of the TREx protection on the selected labels (see below). In case, you would like to renew your trademark record for a multi-year period, please renew it separately via the trademark record interface.

Order TREx for Mark Two

Selected labels for TREx activation:

- mark-two
- marktwo

Explanation of the service bundle:

The TREx service is offered as a bundled offering across 40 TLDs. Note that at time of purchase not all TLDs have onboarded. The TLDs will be included during the duration of your subscription. When available your label will be TREx protected in these TLDs.

Options / Price calculation:

Please note that your TMCH mark record will expire in 30 days or less. To order the TREx protection, the linked mark record will need to be renewed. The price listed below includes both the TMCH renewal and the TREx order.

Activate TREx for 40 TLDs (including 1 year renewal, 2 labels) for 1 year: Total 2x\$160 + renewal(\$145) = \$465

PAY PREPAID

To finalize, click on the “Pay prepaid” button as shown below.²

² If you want to cancel the order you can click on the “close” button in the upper right corner of the pop-up.

Once you have clicked on the “Pay prepaid” button, the pop-up will close and you will be redirected to the “Mark details” page. A message will confirm your TREx service activation as shown below.

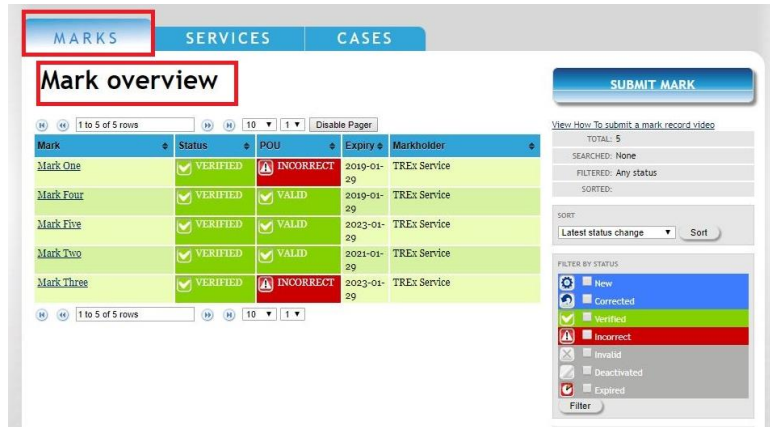

The screenshot shows the 'Mark details' page for 'Mark Two'. At the top, there are tabs for 'MARKS', 'SERVICES', and 'CASES'. A message box at the top left states 'TREx is activated'. To the right is a 'SUBMIT MARK' button. Below the message, the mark name 'Mark Two' is displayed, along with its expiration date '2022-01-02'. The mark details section shows 'NAME OF THE MARK' as 'Mark Two', 'MARK TYPE' as 'Registered Trademark', and 'STATUS' as 'VERIFIED'. There is a 'Send transfer code' button and a 'HANDLE' field with the value '00017115464453011546445301-1'. Below this, it says 'Uploaded attachments #1116 Declaration of Proof of use including one single sample'. The 'Services' section shows 'MARK-TWO' with 'Sunrise flag on', 'Claims flag on', and 'TREx enabled'. There is also a 'SND FILE' field with the value 'Not available'. At the bottom, there is an 'ONGOING NOTIFICATION' field with the value 'Active' and a 'THICH REGISTRY EXCHANGE (TREX)' field with a 'Manage' button. On the right side, there is a 'View How To submit a mark record video' link, a 'TOTAL: 33' count, a 'SEARCHED: None' status, a 'FILTERED: Any status' filter, and a 'SORTED:' dropdown menu. Below this is a 'FILTER BY STATUS' section with a list of status options: New, Corrected, Verified, Incorrect, Invalid, Deactivated, and Expired. There is also a 'SEARCH' field with a 'Search' button.

3. How to renew your TReX service

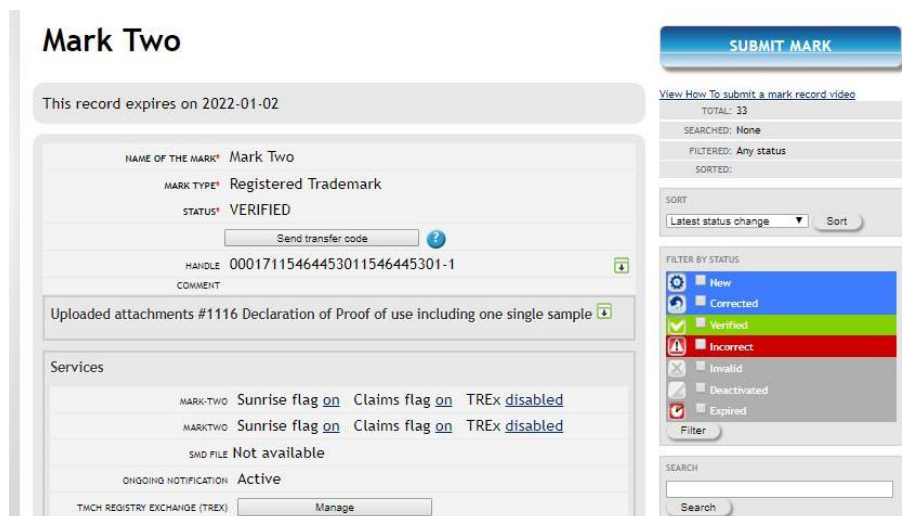

3.1. Log into your account

Once you are logged into your account, you are directed to the “Mark overview” page in the “Marks” tab.

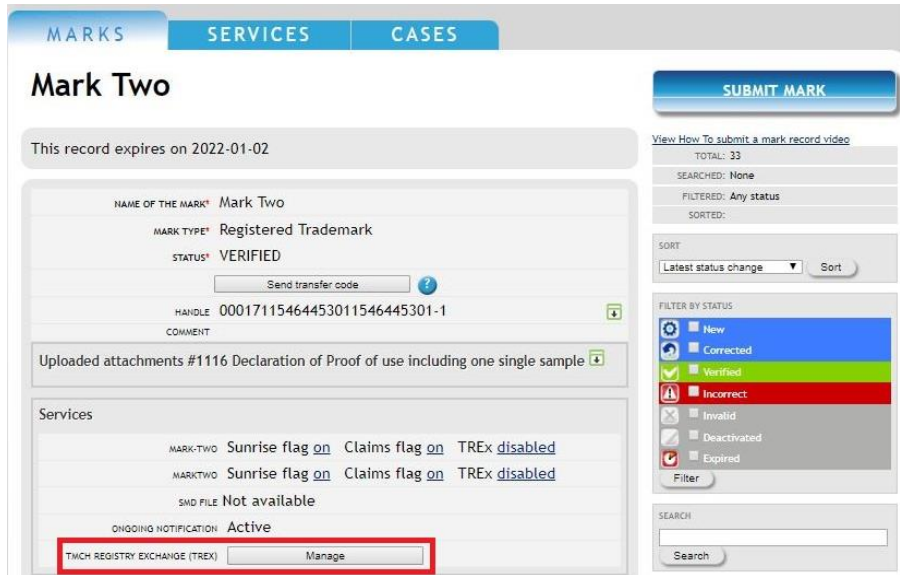

3.2. Select the trademark record

Via the “Mark overview” page, you can select the specific sunrise eligible trademark record that contains the labels you want your TReX protection renewed. When you **click** on the applicable trademark record you will be redirected to the “Mark details” page for that specific trademark record:

3.3. Click on “Manage” TReX Service

Via the services section of the Marks detail page of the trademark record there is the option to **manage** your TReX service:

The screenshot shows the 'Mark Two' details page with the 'SERVICES' tab selected. The 'TReX' service is listed with a 'Manage' button highlighted by a red box. The page also shows a 'SUBMIT MARK' button, a 'View How To submit a mark record video' link, and a 'FILTER BY STATUS' section with various status options like New, Corrected, Verified, Incorrect, Invalid, Deactivated, and Expired.

Once you click on the “manage” button you will be redirected to the “TReX details” page on the “Services” tab as demonstrated below.

The screenshot shows the 'TReX details for Mark Two' page. It features a table with the following data:

Enable	Renew	Label	Status	Coverage	Start Date	End Date
<input type="checkbox"/>	<input type="checkbox"/>	mark-two	enabled		2019-01-02	2020-01-02
<input type="checkbox"/>	<input type="checkbox"/>	marktwo	enabled		2019-01-02	2020-01-02

Below the table is an 'Order TReX' button. The page also includes a 'Coverage disclaimer' and 'Coverage definitions before/after activation' sections.

3.4. Select the labels and click on the “Order TREx” button

To renew the TREx protection, select the labels and then click on the “Order TREx” button as shown below:

Enable	Renew	Label	Status	Coverage	Start Date	End Date
<input type="checkbox"/>	<input checked="" type="checkbox"/>	mark-two	enabled		2019-01-02	2020-01-02
